**SUBJECT:** PARKING AT SNOWMASS MOUNTAIN  
**DATE:** AUGUST 13, 2015  
**CC:**

---

Greetings,

With the prompt start of the Chimney Flue Replacement project, parking is very limited at Snowmass Mountain Condominiums. The additional Guest and Visitor parking has been eliminated for the duration of this project. Please park your 1 vehicle in your assigned space. If you have additional vehicles, we recommend the Town of Snowmass Village numbered parking lots which are free in the summer.

If you find someone parked in your spot, please notify us at 970-923-4950 or 970-924-6006.

If you have any further questions please contact Aaron Walker at 970-456-3349 or Jerome Simecek at 970-923-4950.

Thank you,

Snowmass Hospitality
